Admission and Financial Policies

Admission and Reenrollment Policies

- The Application Fee is non-refundable even in the case of non-acceptance.
- The Grade Placement Testing fee is non-refundable.
- The Enrollment Fee is non-refundable when an applicant is accepted in the grade requested.
- If RBCS determines after evaluation that a student requires summer school, additional testing, placement in a Special Services Program, or placement in a lower grade and such requirements are not acceptable to the parents; all fees can be refunded, except the application fee and grade placement testing fee.
- If RBCS does not have available space in the grade applying for, the parent/guardian has an option of being put on a waiting list or withdrawing the application. If they choose not to be placed on waiting list, the application fee and grade placement testing fee is not refundable.
- **Start-up Fees are not pro-ratable or refundable if a student has been enrolled longer than 10 days.**
- A student cannot attend school until financial arrangements have been made.
- Reenrollment to RBCS is not automatic. You must reenroll (in person) at the Business Office. If a balance is due, or your payments are behind schedule, you are not eligible for reenrollment.
- If a balance is due, or your payments are behind schedule, you are not eligible for reenrollment. If you fall behind schedule after you have reenrolled, your application will be placed on financial hold.
- RBCS accepts at "face value" transfer credits from other FACCS or regionally accredited schools whose accrediting agency is recognized by NCPA (National Council for Private School Accreditation) and CITA (Commission on International and Trans-Regional Accreditation).
- RBCS validates by examination credits earned through a non-accredited or home school program.

Withdrawing Procedures and Policies

- When a student is withdrawn for any reason (relocation, expulsion, or financial suspension), the full amount of regular tuition for that current tuition period is due, including any unpaid start-up fee balance, at time of withdrawal. Since Therapy tuitions and Transportation are full semester commitments, the balance of that semester's charges is due at that time as well.
- A \$150 Withdrawal Fee applies from the date of enrollment through school day 10, (all start up fees will be refunded if withdrawal takes place and form is completed during this time). The parent/guardian must come in to RBCS Business Office and fill out a Student Withdrawal/Transfer Form in order to withdraw the student.

- If an enrolled student withdraws after 10 days or anytime during the school year, there will not be a withdrawal fee, but no start-up fees will be refunded. The balance is due at the time of withdrawal.
- School records, report card, and/or diploma will be released when all financial obligations are fulfilled with the Business Office.

Non-Sufficient Funds (NSF) Policies

- When a bank draft is returned, it will automatically be resent on the next draft date (i.e. 5th or 20th) along with a \$25 return fee.
- Payment plans that become 2 months past due will subject the student to be placed on financial suspension. This means that the student cannot return to school until the account is made current. From this point on, any delinquencies will result in the remainder of that semester's tuition having to be paid in full. Also, payment in full for the 2nd semester will need to be made before the student(s) begin that semester.
- When a check is returned, it will re-processed as a one-time electronic fund transfer from your bank account, along with the current fee. By issuing a check to RBCS, you authorize us to collect a fee through electronic fund transfer from your account if your payment is returned unpaid. After three returned checks you may be required to pay on a "cash only" basis for all future payments to the school.

Scholarship Policies

- John McKay and Step- Up-For- Students scholarship checks must be signed by a parent/guardian within 5 business days of notification. After 5 days the parent/guardian will be notified of the student's financial suspension.
- The McKay and VPK Scholarship amounts are subject to change according to the State budget. The parent/guardian is responsible to pay the difference if the scholarships are less than expected.
