### For Immediate Release:

Rocky Bayou Christian School is pleased to announce that 100% of Special Services Students participated in the Holidays with Heart-Patriotic Letters from Home, a community event spearheaded by the Niceville Valparaiso Chamber of Commerce.

**Angela Sternke**, a senior, coordinated the event with our teachers. Angela is in the Teacher Cadet program at Rocky Bayou. She assists the teachers and students in school operations and special events. The Teacher Cadet Program is a two year training program for students who are majoring in the field of education during college.

The Niceville Valparaiso Chamber encouraged schools, families, businesses, and community members to participate in this event to show support of our deployed troops by sending letters of encouragement, support, and gratitude over the holiday season.

We are thankful that teachers and students could join with the community in this special event.
